BROWARD COUNTY PIONEERS

by Benjamin B. Little

Wilton Manors Historical Society

In October 2013, the Broward County Historical Commission held its 41st annual Pioneer Day. This is organized to recognize individuals and organizations in Broward County that have made a contribution to the preservation of local history, architecture, and archeological sites.

Various organizations as well as municipalities are invited to nominate individuals and organizations that deserve recognition.

The focus is on long time residents who have been active in their communities, exemplifying a "pioneer" spirit.

The "Pioneer" section of the Wilton Manors Historical Society web site profiles some of the folks who have been important to the history of Wilton Manors.

The City Commission presents the Wilton Manors nominee to the Broward County Historical Commission, based on the recommendation of the Wilton Manors Historical Society.
