

## MAKE IT HAPPEN OPEN THE DOORS

*The **MATCHING CHALLENGE** to replace the North Carriage House doors was a great success. We now need to **KEEP UP THE MOMENTUM!***

*Every day shows visible progress – enclosing electrical panels, polishing the new cement floor, walls for the catering staging area, a magnificent sink, air-conditioner, and more.*

*What we have accomplished to date only highlights what more there is to do. The ceiling over the bar area is completed, including recessed lighting, but we need lighting in the catering staging area. There are places for the*

*refrigerator and warming oven, but we still need to get them. The sink needs to be plumbed.*

*With our good partners in Leisure Services and Community Services, we are making progress on the north patio, ADA ramps and railings. We need finish work in the social gathering area.*

*As every homeowner who has ever embarked on a “remodeling” project knows, there is always “one more thing” and one must always expect the unexpected. We are grateful for your generosity to date and the trust you have in us. You will be dazzled with the result!*
